IMPORTANT HEALTH INFORMATION

You must comply with the following conditions in order to have full protection under this policy. If You do not comply We may cancel the policy, reject Your claim or reduce the amount of any claim payment.

1. **Pregnancy:** If You are aware of the pregnancy at the time of issue of the policy, You must declare the pregnancy to Us if either of the following apply:

2. No claim arising directly or indirectly from a Pre-existing Medical Condition affecting You will be covered unless:
 - a. You have declared ALL Pre-existing Medical Conditions to Us; and
 - b. We have accepted the condition(s) for insurance in writing.
 - c. We may require You to obtain a medical report from Your General Practitioner in order to assess whether cover applies. Any costs incurred in obtaining this medical report shall be borne by You.

CLAIMS

1. **How a claim benefit is calculated:** When We pay a claim We consider a number of aspects in calculating the amount. These can include:
 - a. The amount of financial loss;
 - b. The excess;
 - c. The maximum benefit limits and sub-limits;
 - d. The terms and conditions of the policy
2. How much we pay is always based on the value of the item, and not the sentimental or other value You may hold.
3. **You cannot claim more than the actual loss.** For example, by claiming under two different sections of this policy. Similarly, if an insured event is covered by another insurer, airline or operator, then the amount payable by such insurer, airline or operator will become the Excess of this policy.
4. **Top-up cover:** Our cover is conditional on You qualifying for free medical cover (either a medical aid or credit card company). This means our cover is **in addition to your free cover**, and You have to **claim from the free cover first**. The amount payable by your free policy will become the Excess of this policy.
5. **Third party liability claims:** We may finalise the claim by paying You the limit of liability, or any lesser amount for which the third party claim may be settled. This will release Us from any further liability for the claim.
6. **You cannot claim more than the sum insured**, even if Your financial loss was greater.
7. **If You have more than one policy underwritten by Us**, the maximum We will pay shall not exceed the sum insured of whichever policy has the highest sum insured. Example, if one policy covers baggage up to R5,000 and the second up to R7,000 the maximum we will pay is R7,000.
8. In approving Your claim, We may decide to **repair, replace or pay** in cash, subject always to the Sum Insured or Limit of Indemnity stated in the Schedule and subject to deduction of the First Amount Payable.
9. **We do not pay interest** unless ordered to do so by a South African court of law.
10. You have to **sign a release** in Our favour before We will settle a claim.
11. **The pay-out is always reduced by the excess.** For every valid claim, You will always have to pay the first amount, also known as the excess. For example, if there is an excess of R500 on a R10,000 claim, then You will receive a payout from us of R9,500. The excess is listed in the Certificate. The excess applies per person to any claim from a separate event.
12. **Don't dispose of damaged property**, until We have agreed that You may do so.
13. **How to claim:**
 - a) Tell us right away – no later than 30 days after Your date of return.
 - b) Do not admit liability or make misleading promises to anyone, such as:
 - Make any statements (unless required by law)
 - Offer payments to anyone
 - Negotiate with anyone claiming from You.
 - c) Send Us all documents.

- d) Help Us with any legal proceedings against a party responsible for the loss. Note that any such legal action may be taken in Your name.
- e) Sign a release before We pay You.
- f) The entire claims procedure is at Your own expense, including the cost to obtain all reports We may require, or if You are required to submit to a medical examination.
